### Alma Mater

We are loyal Knights of Foothill  
 Hail our colors black and gold.  
 We pledge our love and our honor  
 To her glory we will hold.  
 Let everyone sing out,  
 Raise our voices to the sky.  
 Praise the black and gold forevermore  
 At Foothill High !!

*We come to Foothill unknown and alone and meet through common problems and similar routines. The life of a student at Foothill revolves almost entirely around his school. The campus atmosphere is related to the student's moods, emotions, and his perspective on the day. He finds joy in making friends and sharing thoughts, memories, hopes, and dreams. The friends he makes now he will most likely have all his life. All of these feelings come together to make up life at Foothill High School — "I like the 'knight' life."*

***When you educate a man you  
educate an individual. When  
you educate a woman you  
educate a family.***

***Knowledge  
is of two  
kinds. We  
know a sub-  
ject our-  
selves or we  
know where  
we can find  
information  
on it.***

*The object of teaching a child is to enable him to get along without his teacher.*

*If we learn by our mistakes, we're getting a fantastic education.*

*If at first you succeed, try to hide your shock.*

*We cannot tell the precise moment when friendship is formed. As in filling a vessel drop by drop, there is at last one drop which makes it overflow. So in a series of kind gestures there is at last one which makes the heart run over.*

*Our friendship has taken on a new  
meaning since we traded comic books  
and shared the same heroes.*

*When shall we three meet again —  
In thunder, lightning, or in rain?  
When the hurly-burly's done,  
When the battle's lost or won.  
— Shakespeare*

*The world is like  
fruitcake; it  
would not be  
complete without  
a few nuts.*

*When we start to count  
flowers  
we cease to count weeds;  
When we start to count  
blessings  
we cease to count needs;  
When we start to count  
laughter  
we cease to count tears;  
When we count happy  
memories  
we cease to count years.*

*This time we  
almost made it  
... didn't we.*

***It's not that you  
do something  
for someone,  
it's that you be  
something to  
someone.***

***Win-  
ning  
isn't  
everything,  
it's the  
only  
thing.***

*There are two ways  
of spreading light —  
to be the candle,  
or the mirror that  
reflects it.*

*Give the best that you  
have to the highest you  
know and do it now.*

ROBERT NICHOLS: remembers when Mr. Nichols taught biology the most interesting exhibits.

MICHAEL O'BRIEN: Publishing house owner. His most frightening incident was when he temporarily lost his hearing in one ear due to a trash can fire. The burning can was near a building so he moved the can away with his foot. He looked into the can to see how much material was left to burn. As he turned away, an M-80 exploded in the can. He temporarily lost hearing in his right ear. But it could have been worse for he could have lost an eye.

WILLIAM OSTER: Architect

RINA PATERNO: Mad scientist

JANEY PECARARO: Actress

ULA PERKOV: Pediatrician. Her most unusual occurrence was when she had to carry an umbrella around her desk because the roof was leaking.

JOACHIM PHTZNER: Truck driver

CLARK POSTON: Typoon

RENE POWELL: Forest ranger

JULIE RAMPHAL: Captain of a fishing boat

Faculty were asked what they would enjoy most if they were not teachers. Some also included their strangest experience. Here are the results:

**JIM REAMES:** College basketball coach

**MARILYN REARDON:** Her most interesting experience was traveling with Foothill students throughout Europe.

**RICHARD ROBBINS:** Investment broker

**AL ROSMINO:** Public relations. This survey was his most interesting moment.

**ANGELA SATTERLEE:** Travel agent. Her most unusual incident was the time her shorthand class climbed under the desks and refused to take any more dictation.

**LOWELL SCHROEDER:** Contractor and architect. His first year at Foothill was his most bizarre. He had to move, set up two shops (drafting and wood), serve as district Tech. Ed. Department Chairman, Foothill faculty president, build lecture for all classrooms, and try to survive it all.

**GERALD SEDOO:** Professional hunter

**JOHN SEVERSON:** Teacher. In October of 1965, he completed five periods of teaching without interruption. He believes this to be his most unforgettable experience.

**BETTY SHAFFER:** First woman governor of California

**DAVID SIMCOX:** Physical therapist

**FRANK SOUTHERN:** Business

**EILEEN SPRINGER:** Foreign diplomatic service

**JANET TERRY:** Professional student. A couple of students came to her class prepared. That was her most satisfying moment.

**DAN THOMAS:** Prison guard

# Varsity Lacks Experience

Foothill's 1979 Varsity Football Team was made up of sixteen seniors, twenty-five juniors and one sole sophomore. The Knights being young and inexperienced had a tough season. Their season record consisted of three wins and six losses. Although the young Knights showed more defeats than victories, they gained experience needed to be a winning team. With twenty-six returning players we can all expect a lot of improvement in next year's season.

# SADIE HAWKINS

This year's Sadie Hawkins dance was attended by a full crowd. All had the opportunity to dance to square dance and rock music by Smokewood. A few couples took the time to get wedded by "Marryin' Sam." The tradition of the Sadie Hawkins Dance will be remembered for years to come as well as the good times enjoyed by all.

"Hi mom!"

Scott Miller goes ape at Sadie.

Margie Palchak and Robin Weissberger.

Laura Higgins and Troy Smith take a break.

Paul Craig is the center of attention.

A few kick back at Sadie.

Smile for the camera!

Look, they're taking our picture!

"... and this is my mannequin impression."

## *"In The Heart Of The Knight"*

The 1980 Junior/Senior Prom was held at the Marriott Hotel in Newport Beach. After dining at Orange County's finest restaurants, students all gathered in the Pacific Ballroom and danced to the beat of "Phoenix" from 9-1.

At 11:00 the Prom Court entered the stage to hear the announcement of the King and Queen. Paul Stermann and Bobbe Chilcote were crowned, breaking the suspense.

Their court was comprised of Karen Bailard, Tracey Higgins, Laurie Lang, Janine Reasoner, Mark Edson, Mark Hawthorne, Mike Marks, and Ivan Schwarz.

# SENIOR MUNCH

The final Senior Munch of the year was enjoyed at the Saddleback Inn in Santa Ana. Held in March, the Seniors were merrily entertained by a mime-comic. Entering on a unicycle, the mime "married" Scott Miller and Shelly Lawyer. He joked about swimmers, photographers, and even teachers, and then made a hasty exit on his unicycle.

"White is in fashion this year."

# FRESHMAN HOE-DOW

Freshman sweethearts were dressed as U'll Abner and Daisy Mae on their first Recognition Day! A day that will become a tradition for their next three years. Following the "Hillbillys" theme, the class took on the look of barefeet and freckles, while hay fights became a popular throwback from days gone by.

In a creative display of costume magic, the freshmen even spoke like hicks who had come out west to show off their denim suspenders and straw hats. The cleverly decorated quad, with stylish sets of the era, became the perfect setting for an atmosphere of feuds, corncob pipes, overalls and shot gun weddings.

# SOPHOMORES JOIN THE GAN

Mob violence was on the uprise and the stock market was nearing a crash. Al Capone was not yet the King of Chicago while John Dillinger had plans to master the remaining midwest. These were the 1920's, a decade when gangsters ruled and pillaged. These years would become the prototype of George "Machine Gun" Kelly's extortion, as well as

"Baby Face" Nelson, whom the newspapers would name "Public Enemy No. 1". Sophomore Recognition Day was not as dramatic, however, since the class of '82 transixed this period of fear and prohibition into a day of enjoyment for those who dressed as the "Gangsters of the '20's".

Filled with religious cult members, inter-planetary aliens, playboy bunnies, and graphically made up monsters, October saw one of Foothill High School's most successful and imaginative junior recognition days ever. With the theme "Halloween", no costume was too far out for the class of '81. Foothill's ever imaginative students turned the quad into what looked like a Hollywood set. Four volunteers turned out on the quad stage for the "blood drinking" competition, and the Junior's haunted house was complete with an "occupied" casket.

# Juniors Spook FHS on Halloween

# Seniors in the 60's

The 1960's was a period of turbulence and protest for the young citizens of a nation involved in a crisis with Viet Nam. The decade saw the terms of four presidents, one of which was tragically slain by an assassin's bullet; the remaining served terms at a time when our national unity was put to the test.

The class of '80 recreated these years of turmoil on their recognition day with the theme "College Life in the '60's" as their guide. Seniors protested against LBJ and, dressed as flower children, spread the message of peace and love. They participated in "sit-ins" on the quad floor, and were entertained by the "Beatles" during snack. With one of FHS's greatest turnouts ever, the class of 1980 will be remembered as participating in perhaps Foothill's most successful Recognition Day thus far.

# FEAST AND JOUST

Foothill's Feast and Joust day is a traditional event that had the seniors dressed in togas and participating in activities ranging from the chariot race to the highlight tug-of-war. Some seniors acted as slaves serving their masters an abundant array of cuisine and assorted refreshments. This was one of those rare events that lasted the entire school day. The "slaves" delivered their "masters" to class, as well as hand fed them and complied with each of their commands.

# PAPA RIDES THE CREST AT FHS

Ladies and gentlemen, Foothill High School proudly presents the... sounds of Papa Don't Run Run. Students won't soon forget that Saturday night in the gym. By popular demand, Papa Don't Run Run played on the dance floor and made it the most successful school dance of the year. Although specializing in the sounds of the Beach Boys and Van and Dean, Papa also jammed out tunes from the 50's, the Beatles, Deep Purple, the Who, Led Zeppelin, as well as a few originals. Highlighting the evening was Krazy Jim's own legendary rendition of "Wipeout," a seven-minute jam that was imaginatively done by the Solaris in '93. Excitement could be felt even before the band was introduced, and students literally ran onto the dance floor when Papa appeared in the spotlight. From "California Sun" to "Fun, Fun, Fun," it was obvious that Papa Don't Run Run is a Foothill favorite.

Just let me hear somma that rock n' roll music!

The 1979-1980 Associated Student Body Cabinet was a hard working group, committed to serving the student body. Meeting every day, this group truly represented the ideas and feelings of the students. Working hard to achieve their goals, this year's A.S.B. was responsible for many fine assemblies and activities, highlighted by an excellent Homecoming Week and Feast and Joust. Serving as the nerve center for the entire school, this body oversaw all student projects and school functions. Together with the administration, faculty, and the various school organizations, the A.S.B. of 1979-1980 was instrumental in creating a memorable school year for all.

## "Sir Mac"

We, the knights of Foothill High, proudly dedicate our 1988 SHIELD to Dwight E. McCracken, a man we truly consider to be a "knight." He has been supportive of both faculty and students. He has also proven that one can be a disciplinarian and a strong leader, yet at the same time inspire loyalty and dedication. The Tustin Unified School District has been fortunate in having Dwight McCracken on its faculty since 1966 and as Foothill High's principal from 1977 through 1980.

This is not the end. It is not even the  
beginning of the end. But it is, perhaps,  
the end of the beginning.  
+ Winston Churchill

Four years have passed us by,  
Four years given us to try.  
Four years of work, four years of play  
Four years seem like yesterday.  
Four years of friends, four years of lovers  
Four years unlike any others.  
Four years of learning what we ought to be,  
Four years of looking and trying to see.  
Four years of victories, four of fears,  
Four years of happiness, four of tears.  
Four years have come to an end,  
Four years are gone my dear old friend.
